## GAMA ARES

Gracias a su carácter versátil e innovador, la gama Ares es perfecta para equipar todo tipo de espacios creando un ambiente cálido, personal y vanguardista.

La colección ofrece 4 líneas de acabado para que, sea cual sea su estilo, encuentres en ellas la solución que te permita configurar tu espacio:

- Black Velvet, negro aterciopelado
- Total Black, negro brillo
- Silver Grey, acabado metalizado
- Pure White, blanco nieve

---

## ARES RANGE

Thanks to its versatile and innovative character, the Ares range is perfect for equipping all kinds of spaces creating a warm, personal and avant-garde atmosphere.

The collection offers 4 finishing lines so that, whatever your style is, you can find in them the solution that allows you to configure your space:

- Black Velvet, velvety black
- Total Black, gloss black
- Silver Grey, metallic finish
- Pure White, snow white

# CREAMOS PARA TI PENSANDO EN VERDE WE CREATE FOR YOU THINKING GREEN

En DOSICO creamos para ti pensando en verde. Utilizamos ABS 100% reciclado así como también reciclamos todo el abs que no sale de nuestras máquinas en perfecto estado.

Disponemos de una trituradora para poder volver a inyectar este plástico y darle una nueva vida con un nuevo dispensador, aportando nues-tro granito de arena para hacer un planeta mejor y más sostenible.

In DOSICO we create for you thinking in green. We use 100% recycled ABS as well as we recycle all the abs that does not leave our machines in perfect condition.

We have a crusher to be able to re-inject this plastic and give it a new life with a new dispenser contributing our grain of sand to make a better and more sustainable planet

En DOSICO apostamos por el cuidado del medioambiente, por ello el 100% del plástico ABS usado para crear nuestros productos es 100% reciclado ♻️.  
At DOSICO we are committed to the care of the environment, so 100% of the ABS plastic used to create our products is 100% recycled ♻️.

## GAMA STARK

Calidad y resistencia definen esta colección que engloba diversidad de modelos en acero inoxidable que permite adaptarse a todo tipo de espacios de uso profesional.

Fabricado en acero inoxidable AISI 304 y/o AISI 430

- Fabricado por DOSICO
- Disponible en brillo o satinado.
- Provista de cerradura y llave.

---

## STARK RANGE

Quality and resistance define this collection that includes a variety of stainless steel models that can be adapted to all types of spaces for professional use.

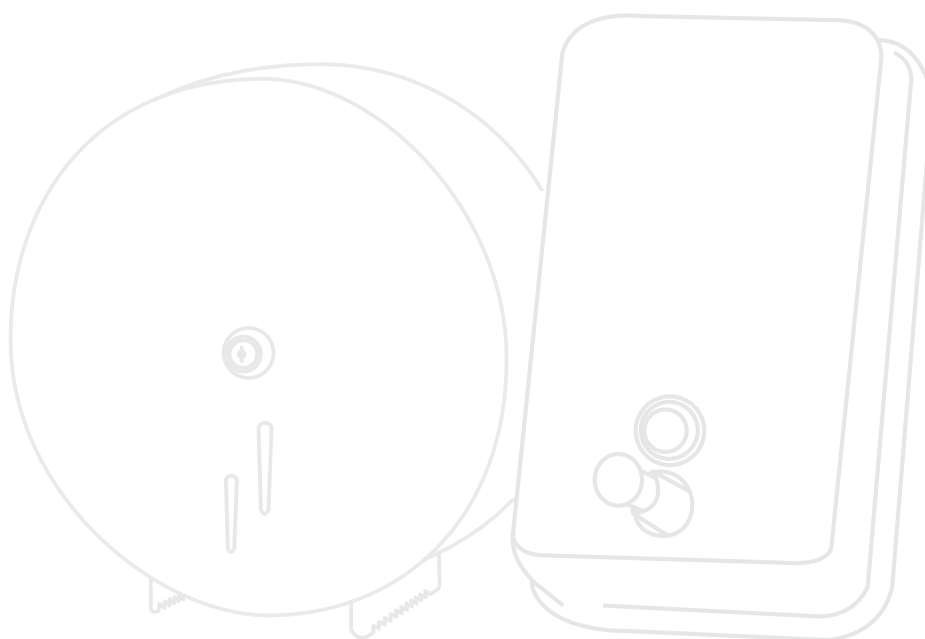

Manufactured in AISI 304 and/or AISI 430 stainless steel

## Condiciones del Suministro

Dosico, entregará la mercancía a portes pagados siempre y cuando el pedido ascienda a:

- Península 350€ neto
- Baleares 600€ neto
- Canarias 1200€ neto
- Portugal 1500€ neto

En el caso de no llegar a estos importes se cobrarán portes en factura.

## Devoluciones

Solo se aceptarán devoluciones de material previamente autorizados por Dosico mediante comunicado por escrito de los productos, cantidades autorizadas y valor final.

El material deberá cumplir las siguientes condiciones:

- Caja y embalajes originales con su etiqueta y precinto original.
- El material pertenece a producto en vigor en la última lista de precios de Dosico.
- No se aceptarán devoluciones de material transcurridos 15 días de su facturación.
- En ningún caso se aceptarán devoluciones de material de productos especiales.
- En las devoluciones el coste del transporte irá siempre a cargo del cliente.

## Formas de pago

Contado 2% de pronto pago.

Resto de condiciones sujetas a la ley de morosidad:

- 30 días con día de pago
- 60 días sin día de pago

Se aceptarán otras formas de pago siempre que estén pactadas por ambas partes y la compañía de riesgos nos lo conceda.

Todas las operaciones están aseguradas por compañía de riesgos.

## Personalización del Producto

Se podrá personalizar el producto con un máximo de 2 tintas por logo.

Tendrá un coste único de 70€ por color que deberá desembolsar el cliente.

Siempre y cuando el producto se personalice en nuestro visor no estará sujeto a cantidades.

Si por el contrario se quisiera serigrafiar fuera del visor el coste por el color es el mismo y el mínimo de piezas es de 100 por referencia.

En el caso del acero inoxidable la cantidad mínima para serigrafiar será de 100 unidades por referencia.

En el caso de querer un pantone en concreto el coste del recipiente de la pintura es de 90-100€ corriendo a cargo del cliente.

## Conditions of Supply

Dosico, will deliver the goods to carriage paid provided that the order amounts to:

- Peninsula 350€ net
- Balearic Islands 600€ net
- Canary Islands 1200€ net
- Portugal 1500€ net

In the event of not reaching these amounts will be charged invoiced carriage.

## Returns

Only material returns will be accepted in advance authorized by Dosico by written notice of the products, authorised quantities and final value.

The material shall meet the following conditions:

- Original box and packaging with label and seal original.
- The material belongs to the product in force at the last price list from Dosico.
- Material returns will not be accepted after 15 days of billing.
- In no case will be accepted returns of material of special products.
- The cost of transport will always be borne by the customer.

## Forms of payment

Counted 2% early payment.

Other conditions subject to the law of late payment:

- 30 days with payment day
- 60 days without payment day

Other forms of payment will be accepted as long as they are agreed by both parties and the risk company grants it to us.

All operations are insured by risk company.

## Customization of the Product

The product can be customized with a maximum of 2 inks per logo.

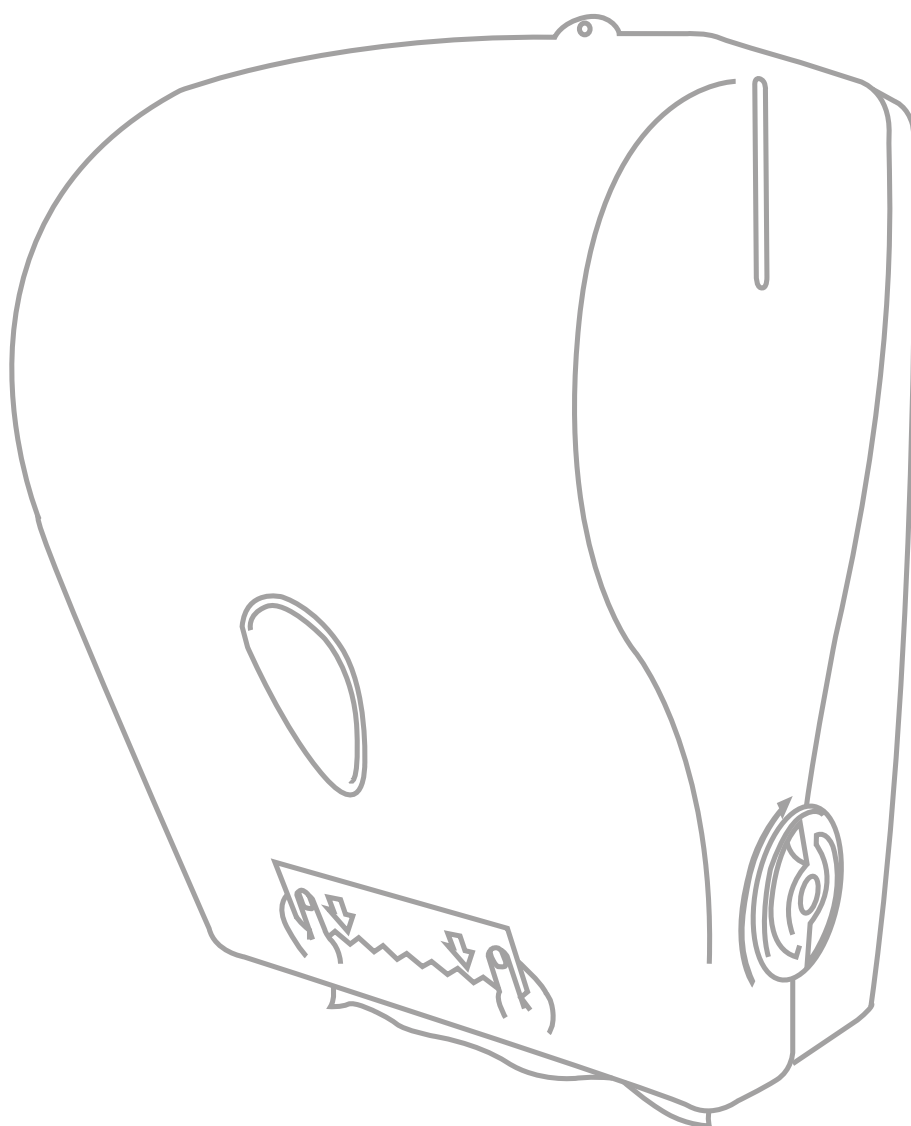

It will have a single cost of 70€ per color that must disburse the client.

As long as the product is customized in our viewfinder will not be subject to quantities.

If, on the other hand, you want to screen-print outside the viewfinder, the cost per color is the same and the minimum number of parts is 100 per reference.

In the case of stainless steel the minimum amount for screen printing shall be 100 units per reference.

In the case of wanting a pantone in particular the cost of the paint container is 90-100€ at the expense of the customer.
